Annual Toxic Emissions Data Inventory Submittals (LAC 33:III.5107) (0702Pot2)

Under the authority of the Environmental Quality Act, R.S. 30:2060 et seq., and in accordance with LAC 33:III.5107, the Secretary gives notice that the directions for submittals of Annual Toxic Emissions Data Inventory (TEDI) for calendar year 2006 are as described below.

The Louisiana Department of Environmental Quality has initiated a project to update and enhance the existing emissions inventory reporting system. The new reporting system will consolidate the reporting for emissions inventory and TEDI; however, the new reporting system will not be ready until April 2007. Therefore, the department is requiring that all facilities subject to the reporting requirements of LAC 33:III.5107 submit their annual toxic emissions data inventory (TEDI) to the department utilizing the new system. The traditional 53-column ASCII format data files will no longer be used or accepted by the department. This change in the reporting format of annual TEDI begins with submittals for calendar year 2006 data.

Training seminars will be held in April 2007 to train reporters in the new reporting system and to review reporting requirements for both LAC 33:III.5107 and LAC 33:III.919.
